TO: Laboratory Owners and Directors

FROM: Dennis P. McDonough, MPH 
Director
Clinical Laboratory Improvement Service

SUBJECT: Clinical Laboratory License Fee Increase

This is to confirm that the proposed increase in clinical laboratory license fees has been adopted.

The adoption notice for the fee increase, which was proposed in the August 3, 2009 New Jersey Register, was published in the Register on December 7, 2009 and is effective immediately.

The fee increase is reflected in the license fees being charged for calendar year 2010 licenses. When issuing the notice for license renewal for 2010, the adoption was anticipated prior to the end of the year since no comments were received on the rule proposal.

If you have any questions, please do not hesitate to contact the Clinical Laboratory Improvement Service at (609) 984-7923.

Thank you for your cooperation.
